6 Costly Mistakes to Avoid Before Buying a Home

A new report has just been released which identifies the 6 most common and costly mistakes that homebuyers make before buying a home.

Mortgage regulations have changed significantly over the last few years, making your options wider than ever. Subtle changes in the way you approach mortgage shopping, and even small differences in the way you structure your mortgage, can save or cost you literally thousands of dollars and years of expense.

Whether you are about to buy your first home, or are planning to make a move to your next home, it is critical that you inform yourself

about the factors involved before you buy. In answer to this issue, industry insiders have prepared a free special report entitled "*6 Things You Must Know Before You Buy*".

Having the right information before hand can undoubtedly make a major difference in this critical negotiation.

To hear a brief recorded message about how to order your FREE copy of this report call 1-8 - - - ID# - - - . You can call any time, 24 hours a day, 7 days a week. Call NOW to find out what you need to know before you buy a home.

11 COSTLY HOME INSPECTION PITFALLS

Before you list your home for sale, it is critical to read this Free Report reviewing 11 of the most common home inspection pitfalls. Failure to understand these inspection traps could **cause costly delays in the close of your home or, worse, turn prospective buyers away all together.**

How to Sell Your Home Without An Agent

If you've tried to sell your home yourself, you know that the minute you put the "For Sale by Owner" sign up, the phone will start to ring off the hook. Unfortunately, most calls aren't from prospective buyers, but rather from every real estate agent in town who will start to hound you for your listing.

Like other "For Sale by Owners", you'll be subjected to a hundred sales pitches from agents who will tell you how great they are and how you can't possibly sell your home by yourself. After all, without the proper information, selling a home *isn't easy*. Perhaps you've had your home on the market for several months with no offers from qualified buyers. This can be a very frustrating time, and many homeowners have given up their dreams of selling their home themselves.

But don't give up until you've read a new report entitled "Sell Your Own Home" which has been prepared especially for homesellers like you. You'll find that selling your home by yourself is entirely possible once you understand the process.

Inside this report, you'll find 10 inside tips to selling your home by yourself which will help you sell for the best price in the shortest amount of time. You'll find out what real estate agents don't want you to know.

To hear a brief recorded message about how to order your FREE copy of this report, call 1-8 - - - and enter ID# . You can call any time, 24 hours a day, 7 days a week.

Call NOW to learn how you really can sell your home yourself.
